SDWA Training

Safe Drinking Water Act Compliance Training

- 8:00am** **Understand the Revised Total Coliform Rule and Groundwater Rule**
- *Water Treatment Facility: chemical safety concerns. What chemicals are you working with at your facility? Learn what safety equipment you need to have on-site to prevent injuries.*
 - *Water Operations: see the basics in this hydrant maintenance 101 session. Learn how to fix those hard-turning hydrants without fighting them and repairs due to objects stuck in the valve seat.*
 - *Water Operations: learn the essentials of iron and manganese removal with important factors to consider when rehabilitating or optimizing your facility for current and future treatment.*
 - *Water Treatment Facility: top 10 cited violations. See the rules, requirements, and equipment that is needed for proper workplace safety.*
- 12:00pm** **Lunch - (On Your Own)**
- 1:00pm*** **Understand the Revised Total Coliform Rule and Groundwater Rule continued**
- *Water Quality: let's play jeopardy! Join this group activity to learn about water quality sampling guidelines and general water quality rules, and some trivia just for fun!*
 - *Water Treatment Operations: basic water treatment plant operations. This presentation will discuss the foundational knowledge and skills necessary to operate, optimize, and maintain a typical water treatment plant in Minnesota.*
 - *Security Intelligence Sharing: discover what to look for in criminal acts and terrorism in the water industry. Learn about the 'See Something, Say Something!' campaign and cybersecurity tips.*
- 4:00pm** **End of Day**

City of Zumbrota
VFW Building
25 E. 1st Street
Zumbrota, MN

About the Class:

Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

Technical assistance to address compliance issues is available from Minnesota Rural Water Association at no cost.

Support Minnesota Rural Water Association Training | Technical Assistance

6 certification hours | FREE of charge!

To Register: call: 800-367-6792 or online at: www.mrwa.com (use the training calendar fast track menu).

Instructors: AE2S; Hawkins Water Treatment Group; Minnesota Fusion Center; Minnesota OSHA; Minnesota Pipe & Equipment; Mueller Co.; Treatment Resources; UC Laboratory; and Minnesota Rural Water Association.

This training is brought to you through a grant by the National Rural Water Association and US EPA.

Attend this session and learn how to keep your water system in compliance with state and federal drinking water regulations!

***Water Operator Certification Exam will be given at 1:00pm. You must pre-register with the Minnesota Department of Health 15 days prior to the training session. For an application form and study guide, call MRWA at 800-367-6792 or Noel Hanson, MDH at 651-201-4690. You can also download an exam application at: <http://www.health.state.mn.us/divs/eh/water/wateroperator/infoexam/opexamapp.pdf>.**
