MRWA Water O&M Training

Wahkon Inn
235 N. Main Street
Wahkon, MN

About the Class:

Get valuable information you need from our expert trainers to maintain compliance with the Safe Drinking Water Act (SDWA) and state regulations.

Technical assistance to address compliance issues is available from Minnesota Rural Water Association at no cost.

Support Minnesota Rural Water Association
Training | Technical Assistance

6 certification hours | FREE of charge!

**To Register: call: 800-367-6792 or
online at: www.mrwa.com (use the
training calendar fast track menu).**

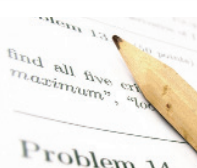

Instructors: Dakota Supply Group; KLM Engineering, Inc.; Minnesota Department of Health; Mueller Company; Thein Well Co.; and Minnesota Rural Water Association.

This safe drinking water act training is brought to you through a grant by the National Rural Water Association and US EPA.

**Attend this session and learn how to keep
your water system in compliance with state
and federal drinking water regulations!**

AGENDA

- 8:00am** **MRWA Services & Round Table Discussion**
See what's new in the industry and learn about the changes in store for water and wastewater operations specialists. Get the latest on MRWA training, events, and technology.
- 9:00am** **Water Meter Project**
Do you have a water meter project in the future? Learn how to start this process and what metering options would best fit your system needs.
- 10:00am** **Top of the Tower Training**
Any and all water tower questions that you have or have wondered about will be answered in this interactive group session.
- 11:00am** **Protocol for Contacting the Minnesota State
Duty Officer or MDH District Engineer**
Learn your responsibility when you have a planned or unplanned loss of pressure and the difference between a precautionary boil water order or a boil water order and who can implement. Get to know your MDH District Engineer.
- 12:00pm** **Lunch - (On Your Own)**
- *1:00pm** **Valves: Important Part of Your Water System**
See why there are so many different types of valves and the best application for each. Learn what valves best fit your system needs and why.
- 2:00pm** **Health Records for Wells and Maintenance**
Learn what your responsibilities are to help your well contractor diagnose your well if it's coming down with an ailment.
- 3:00pm** **Water System Roundtable Discussion**
This session will be a discussion on what the group has learned from the primacy agency and wrap up.
- 4:00pm** **End of Day**

*Water Operator Certification Exam will be given at 1:00pm. You must pre-register with the Minnesota Department of Health **15 days prior to the training session**. For an application form and study guide, call MRWA at 800-367-6792 or Noel Hanson, MDH at 651-201-4690. You can also download an exam application at: <http://www.health.state.mn.us/divs/eh/water/wateroperator/infoexam/opexamapp.pdf>.
